# Hangouts Around and About

Does "I'll meet you at the clock after lunch" or "See you at Friendly's at three" sound familiar? No matter what time of day it is — during a free period, before lunch or after school, students can be found at their favorite hangouts around and about school. The porch is a nice place to wait for friends and to discuss the highlights of the day. Many like to gather in the Foyer, or in various lavatories. On holidays you'll be sure to find your friends at the Mall sitting on the benches around the fish pond. Whether it's to relax, to catch up on the latest gossip or just to find something to do, student hangouts are the place to go.

When the weather is nice the bikes jam the racks.

Lunch satisfies the munchies with the crunchies.

Friends always gather in the foyer to talk.

The phones are a good place to keep in touch with outside friends.

Mo Daly finds a corner in the Booster Club room to relax.

The porch is a favorite among friends to meet before and after school.

When there's a game students pack the stands to cheer for the Bulldog teams.

# Learning and Leisure Reflect the Individual

With all the activities and clubs that take place at Kenmore East, it's hard to decide whether to spend your time studying or at leisure. You may study for your geometry test or go to the basketball game. It's either regents review or a Student Forum meeting. Because there are so many options of fun activities open to the students, it takes determination and will power to keep your mind on your subjects. Study halls with friends keep you away from your work. Everyone must make up his own mind to study and then stick to it.

Models broaden the students interest in learning.

Beth takes time to enjoy an apple in typing class.

Some students will do anything for a laugh.

Biology offers many subjects of interest.

Mollie takes a quiet moment to recall memories.

Beth, Judy, and Barb are ready to take-off during gym class.

The library has numerous books for the individual to discover his goals and ambitions.

Could this masked person be Nancy Bundt?

# Blue-Gold Weekend Not a Lucky Seven

Blue-Gold Weekend was marred by many disappointments this year. For the first time in six years West defeated East 19-7. Another letdown was the cancellation of the traditional bonfire. The students, however, still showed "Bulldog Spirit" at the weekend's events.

The weekend started with a pep rally in the gym. Later that night there were showmobile skits and a smashing of a car. The evening reached its climax when a substitute "bonfire" was held in a portable grill. Saturday activities began early with float competition, which then paraded to Crosby field. At night there was a dance in the gym featuring "Junction West."

A sign is painted to show Ken-East's theme.

Many original ideas go into the making of the floats.

The J.V. and Varsity cheerleaders raise the Bulldog spirit.

Mark Pinto is ready to make the extra point.

The band and Blue-Gold Diggers begin the halftime festivities.

The football team is "psyched" as they burst the sign before the pep rally.

Coach Adams gives the Bulldogs a few tips before they returned to the field.

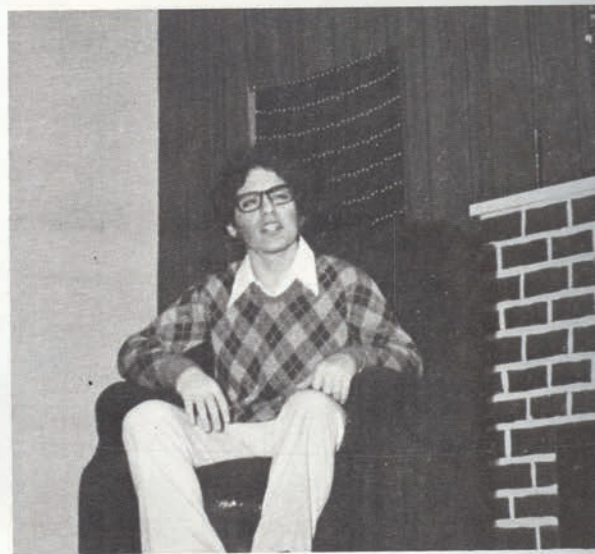

When the Bulldogs meet the Devils, Ken-East students fill the stands.

# Comedy Heightens **Play It Again, Sam.**

On November 12 and 13, the hit comedy **Play It Again, Sam** was brought to life on the East stage. Butch Gerstein was featured in the part of Allen Felix in this Woody Allen classic. Allen Felix is depressed after his wife, Nancy (Pam Decker) has left him. In order to boost his spirits, his best friend Dick Christie (Steve Jarvis), introduces him to various beautiful girls. On all his dates, Allen Felix imitates his idol, Humphrey Bogart (Shaun McLaughlin) which leads to hilarious consequences. The play reaches its comic height when Allen Felix falls in love with Dick's wife, Linda Christie (Margaret Miles). Supporting roles are played by Leesa Cipperman, Joanne Karoczun, Judi Leas, Jeanne Duncan, Amy Bauldauf and Linda Joyce. The play was directed by Arthur T. Cranston and Judi A. Leas.

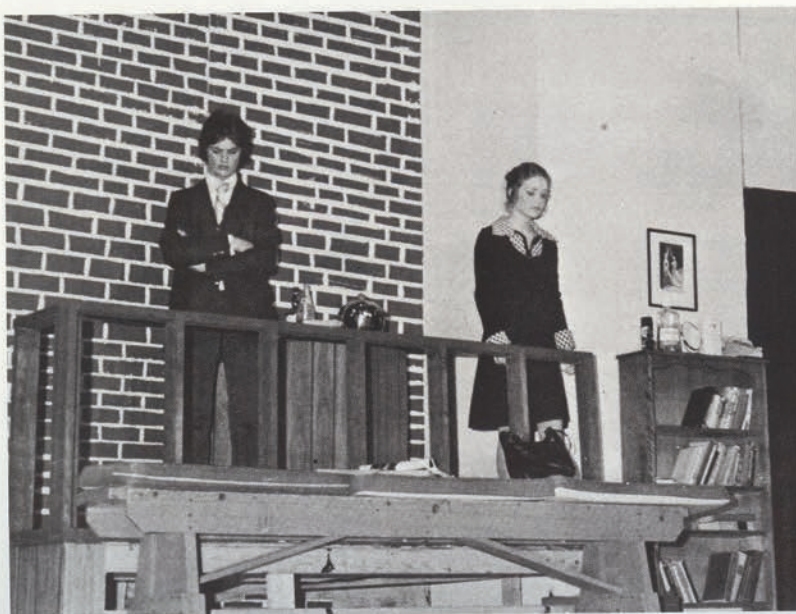

Allen thinks about all his romances.

Jeanne and Linda wait to be made up before the show.

Allen turns to his close friends for help.

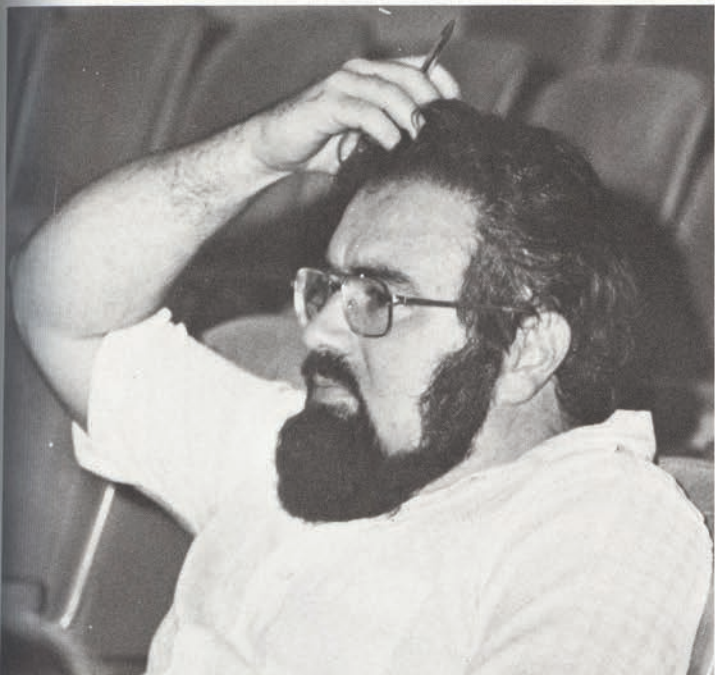

Dick and Linda try to work out their marriage problems.

Allen tries to express his feelings to Gina . . .

Mr. Cranston puts serious thought into producing.

Pam is stunned by the shot of the gun.

Allen's ideas of romance aren't the same as Vanessa's.

Dick tries to explain the situation to Linda.

## "If We Leave East Now"

The seniors got together last Fall and put on a show which couldn't have fit its title any better, "The Big Event." Talented seniors acted, sang, and performed comedy skits which represented the students' interpretation of life at Kenmore East. The audience applauded from the first presentation of baby pictures right up to the moving end when the seniors joined hands and sang their theme song "If We Leave East Now." Proceeds from the show went towards the annual Senior Prom in June.

The Iota girls had things to say about all the various type kids at East.

The Senior girls, led by Leslie Sterman, had a lot to sing about the Senior guys.

# Camelot

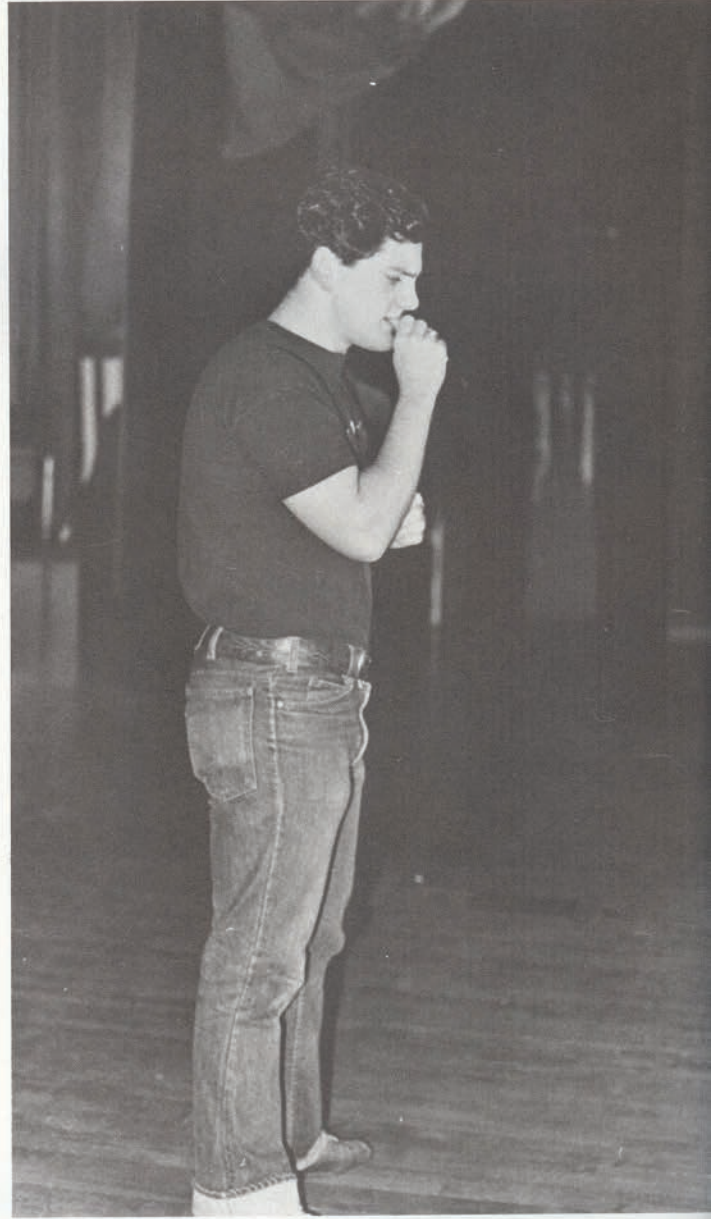

All the medieval majesty of King Arthur and the Knights of the Round Table came to life as Kenmore East presented Lerner and Loewe's **Camelot** March 17, 18 and 19. Arthur (Mark Doran), his lovely queen Guenevere (Cynthia Jackman), and the mighty Lancelot du Lac (David Greune) spun the tragic love triangle which destroyed the Table and the tranquil kingdom of Camelot. Under the stage direction of Arthur T. Cranston and Joanne Karoczun and the choral direction of Betty Lou Cranston and Tasia Boron, the production featured unique staging based on a multi-leveled unit set. Mr. Louis Baroudi conducted the orchestra while Maria Tritto and Joy Guarino choreographed the imaginative and challenging dances. Kathy Neyerlin served as production coordinator and Paul Landgraf was technical advisor.

## BOCES—A Unique Education

The Boces program is growing steadily each year as more of Kenmore East's students take advantage of the practical occupation experience. Courses continue for one to two years and range from the popular cosmetology program to auto mechanics. One of BOCES unique features is Operation Interview where business men from area companies give mock interviews to students and advise them on how to get and keep their ideal occupation. BOCES is a unique and excellent way to gain practical experience which could lead to a steady, high paying job and something more students should consider for their future high school plans.

K. Daigler enjoys working with young children at Boces.

R. Peehler helps the youngsters pick out toys to play with.

M. Schultz learns how to fix a car's engine.

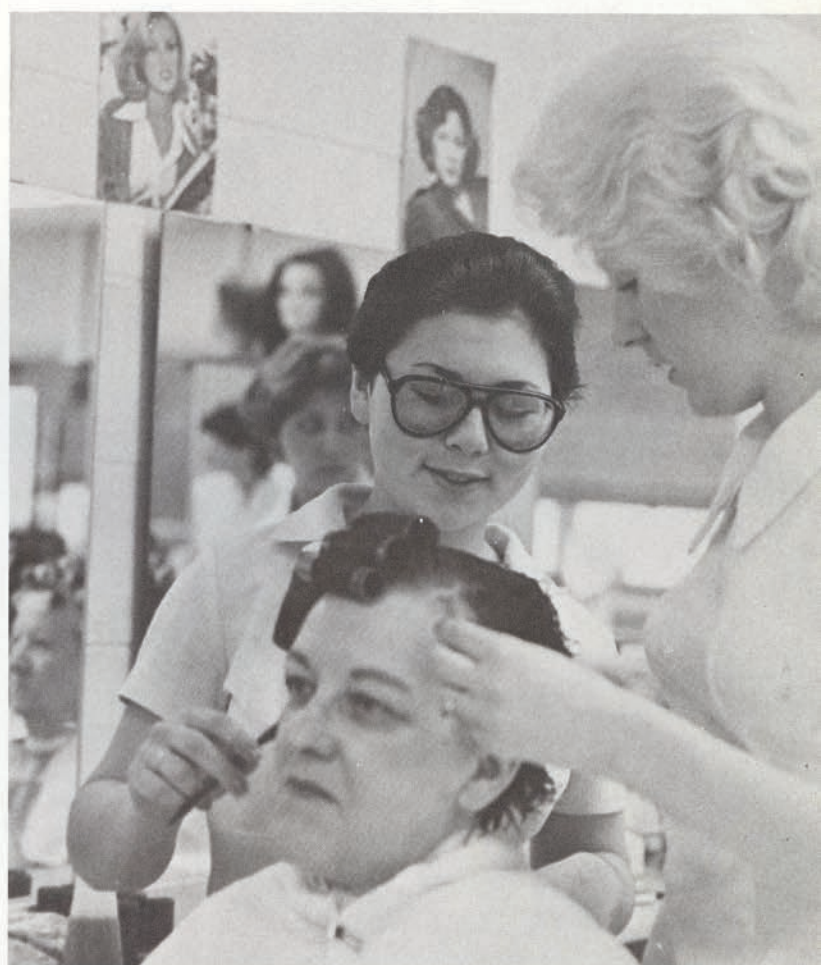

J. Hasselbeck likes the cosmetology class offered at BOCES.

T. Grimes practices a new hair style.

D. Watson and P. Manhart work together on styling a woman's hair.

C. Picard and L. Lochocki learn the techniques of styling hair.

# The Blizzard of '77

The Blizzard of '77 not only paralyzed business and traffic operations throughout the Niagara Frontier, but also affected the daily routines of the students and faculty at Kenmore East. The blizzard conditions and ten foot drifts made roads impassable and knocked down power lines. Temperatures of negative ten degrees coupled with winds of sixty m.p.h. which effected a chill factor of fifty below caused a natural gas shortage that closed our school for a record twelve days in four weeks. Stranded home for days at a time, students passed the time playing monopoly and sleeping until cabin fever set in. Most students agreed it was a fun and novel idea at first, but the unexpected vacation got quite boring and tedious after a few days. A greater percentage were dissatisfied with the snow days and especially unhappy about the extension of school until the end of June. Some students welcomed the school break, and one summed it up by saying "It was a very enjoyable storm."

# Working Students

The bell has just rung and the last class of the day is over. Time to relax and unwind? Not for the large percentage of students at Kenmore East who hold jobs. Student occupations range from dish-washing at Denny's to selling clothes at Penney's to waiting on tables at Friendly's. Whether it's at a store in the mall, an eating establishment or a local supermarket, many of East's students must rush off to their places of employment at 2:45 each day.

Debbie Block and Debbie Bates have fun working together at Held's Bakery.

Patty Ruta and Gerry Cumbo smile for the camera while working together at Ted's Hot Dog stand.

Jana Trudeau likes working in the accessories department at Jeness.

Janet Baldi enjoys waiting on hungry customers at McDonald's.

Cheryl Gimbrone waits on a customer in the Jewelry department at Jents.

Debbie Daily helps keep the dining area at McDonald's clean.

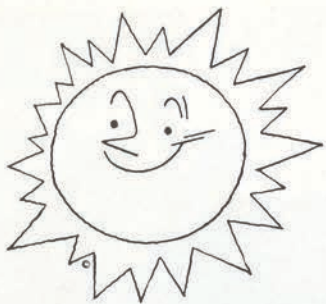

Judy Burns scoops out ice cream for customers shopping at the mall.

# Student Life Outside School

The average student at Kenmore East lives in a world which extends far beyond his daily school routine. His life is filled with activities and interests which make him a unique being. (**Spectrum** took a general interest survey and the following are the results.)

Spare time is a favorite among students and the most popular way to spend it is to party at either a friend's house, a bar or just the neighborhood park. Other preferred pastimes ranged from concerts to cruising, and even sleeping. While partying, most students rate the Hustle, Bus-stop or L.A. Walk as their favorite dances. Others liked dances ranging from "doing your own thing" to "anything but Disco."

Music plays an important part in a teen's life. Barry Manilow stood out as favorite vocalist, while Stevie Wonder and Peter Frampton rated a close second and third. Genesis and Boston tied as the top group East-goers liked to listen to on WGRQ, WYSL or WBUF, their favorite radio station.

In the fall of the year, the bicentennial election was held and even though Jimmy "peanut" Carter won, Ford was selected by a margin of two votes to one at Kenmore East.

What is something that everyone can claim a favorite in? You guessed it — MUNCHIES!! You can bet your classmate would rather eat Pizza or Chicken Wings than any other morsel you could offer. Tastes of others ranged from Lobster to Pop Tarts in the junk food battle. An East-goer would rather drive by in a Corvette or Trans Am than in any other auto, unless of course, it's a Cadillac. Favorite shows on the tube range from "Rich Man, Poor Man," and "Charlie's Angels" to the unforgettable "Gong Show", "Monty Python" and "Star Trek."

Many excellent movies were viewed this year starting from television's first run of "Gone With The Wind" to the serial movie "Roots." Most of East's students saw at least part of the series, and all rated it as excellent. One person summed up his feelings by saying, "It made me feel ashamed to be white." Another big hit on the screen was Barbra Streisand's "A Star Is Born" which won her Kenmore East's student award for not only the best movie, but also Actress of the year (beating out the guy's favorite — Farrah Fawcett-Majors). Silver Streak and Rocky also took claims in the movie department while Robert Redford and Clint Eastwood tied for favorite actor.

A large percentage of the student body enjoys sports and summer favorites ranged from swimming and tennis to laying on the beach. Winter sports are also popular. Skiing took first place just in front of hockey and tobogganing. One student states his favorite winter sport was simply "snowball wars, of course." To escape the Buffalo area, most East-goers preferred to travel **anywhere** warm, with Florida, Mexico, and California high on the list. Canada and the Mountains also rated honorable mention.

If you fit these descriptions, then you can be considered the average Kenmore East student in the year 1977.

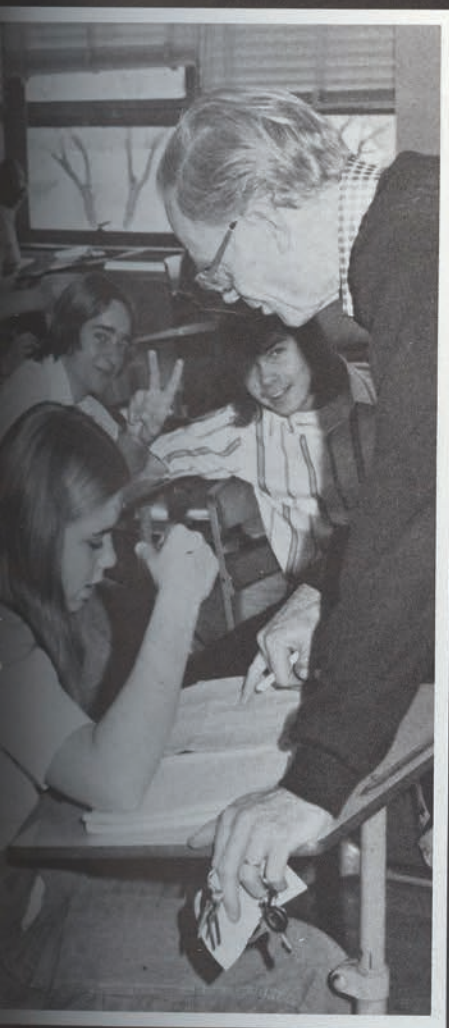

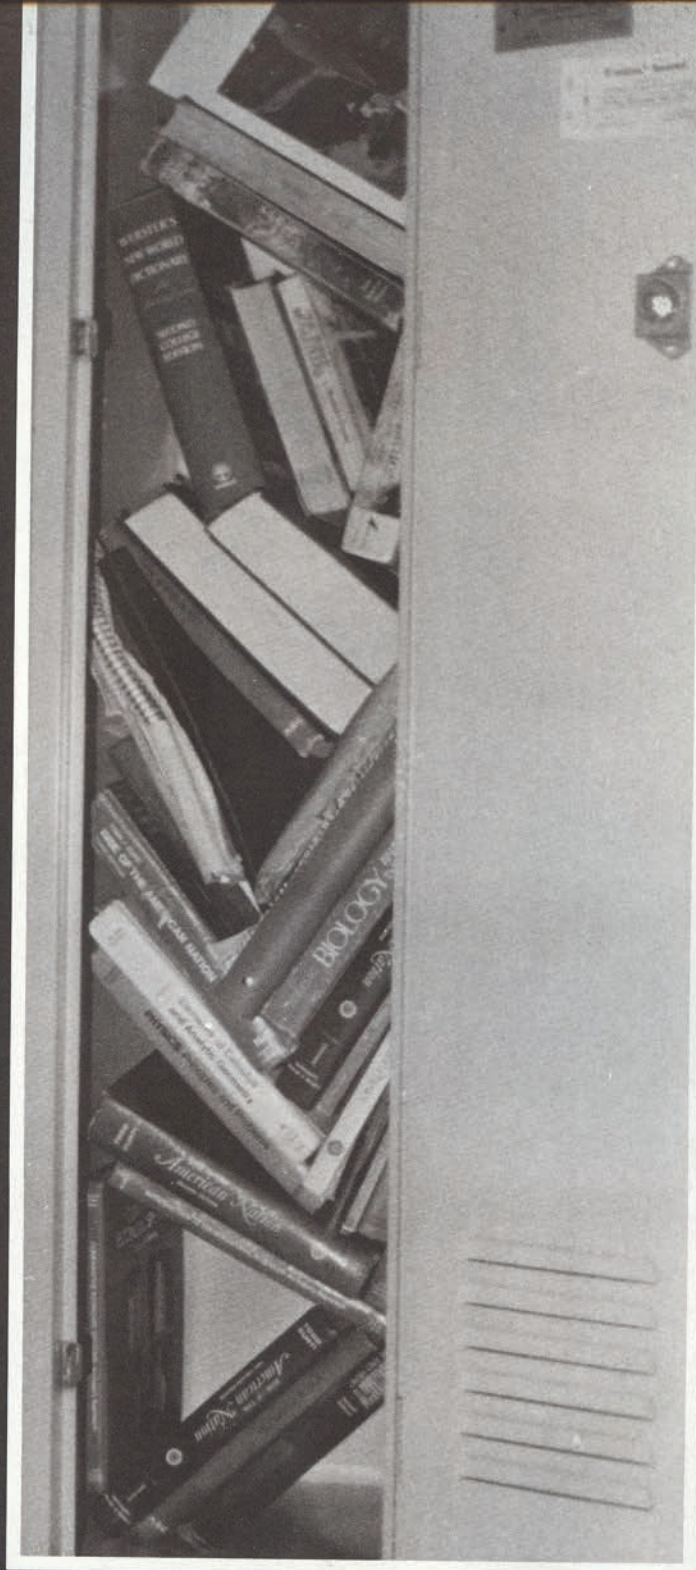

Friends like to be together during study hall.

# Guidance — A Developmental Process

Guidance at Kenmore East is an integral part of the learning process for all students. As the individual is helped to gain insight and understanding of his own potential, he is better able to make those decisions which will affect his future educational and career plans. Through our various counseling services it is thus hoped that each student can be helped to attain maximum benefit from his high school years at Kenmore East.

## Nurse Assists Ill Students

The primary functions of the Health office are to provide temporary care for ill students, first-aid for injuries, health counseling, annual vision testing, and to keep parents and teachers informed concerning students with special health problems. It's a busy place — from blisters caused by new shoes in September to sunburn in June.

Mrs. Van Burek tests Margaret Ballou's vision.

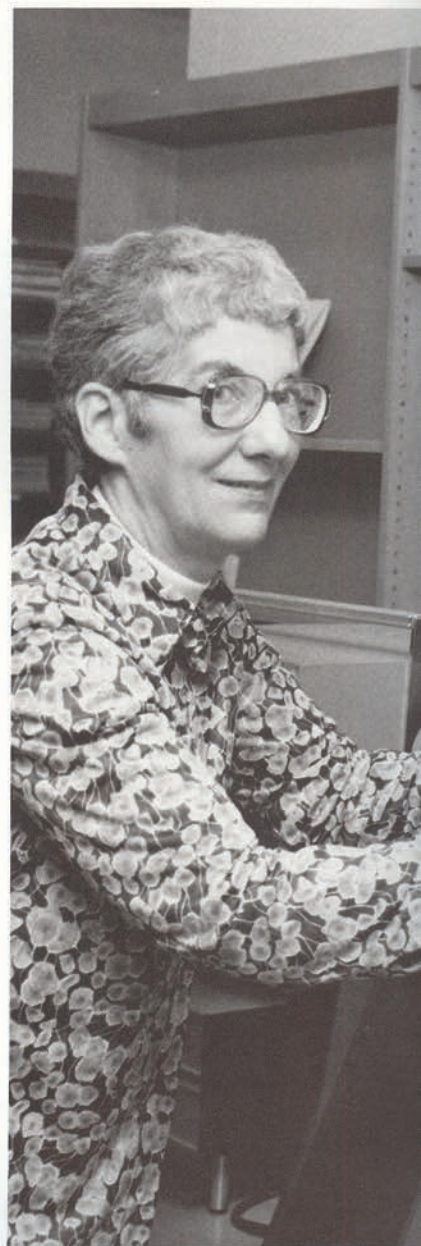

## Librarians Are Interested in Helping

The school library is an important educational center. The librarians are teachers who can help you find and use research materials.

The library has an extensive collection of books chosen for the Kenmore East curriculum. For students who enjoy reading, there is an extensive collection of fiction and special interest books.

# Trends in Social Studies

Today, history is still one of the social studies of great importance in our school, but it is recognized that our students must also have the opportunity to explore other social studies courses such as: Political Science, Economics, Anthropology, Psychology, Sociology, Contemporary Issues, Womens' Studies and a variety of others.

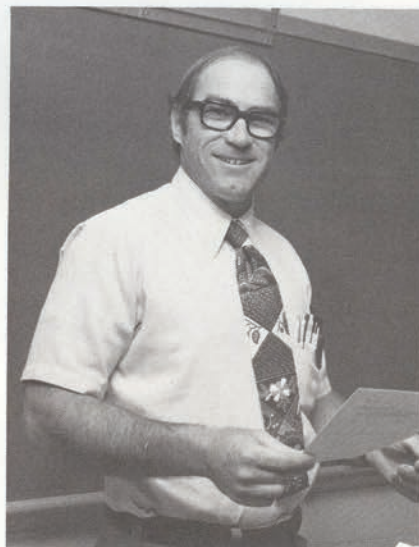

The social studies program is more than history alone, although history is not being neglected. Rather, the study of human beings is being expanded. Indeed, where necessary to understand people and their relationships in the world in which they live, our teachers may explore the entire spectrum of human knowledge, attitudes, values, and actions.

# Science Provides Variety

The Science Department is continuing its effort to make available to all students a selection of courses to meet their individual needs.

Advanced and honors courses are available to those students interested in an intensive study of science for potential careers.

Regents courses afford a suitable choice for students wishing a well-rounded basic knowledge in biology, chemistry, physics and earth science.

General courses in these same areas along with a group of half-year electives provide an opportunity for everyone to take science subjects for general background information.

# Mathematics Dept. is Flexible

The Mathematics Department offers maximum flexibility while maintaining a strong program enabling graduates to enter universities, colleges, and technical schools, as well as actual full time employment. The content of our program continues to evolve as the needs of science and industry change.

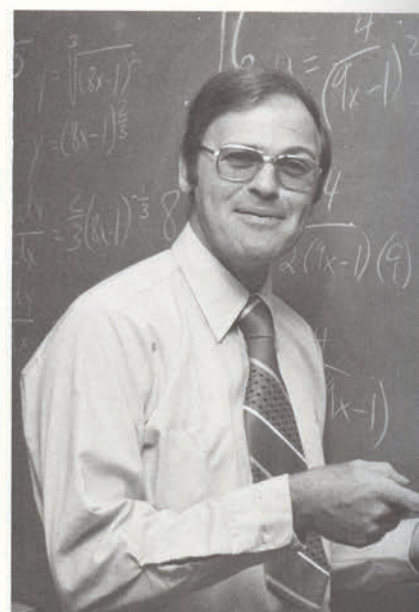

As society continues to escalate its dependence on technology, the technically oriented careers will increase in both number and variety. We feel that an increasingly technocratic society is inevitable. We believe, however, that the student who undertakes these careers should be educated in a liberal arts tradition which emphasizes a broad general education and concern for human values as well as technical preparation for a career.

## Work Study—Income and Education

The Work-Study Program provides an ideal opportunity for high school seniors to complete their curriculum while earning a meaningful income and gaining valuable work experience.

Specifically, the program provides the following:

1. Knowledge of how to best prepare for a job.
2. Excellent opportunity to meet and to work with adults.
3. Real on-the-job training.
4. Extra credit for your work experience which counts toward graduation.
5. Information on how to hold a job after graduation.
6. Opportunity to be hired permanently.

Statistically speaking, 79 seniors in the 1975-76 program worked 58,546 hours and earned \$140,020. The average number of hours worked by each student was 741, and the average income per student was \$1,772.

# Industrial Arts Uses Modern Methods

Industrial Arts Classes include metal shop, electric shop, wood shop and mechanical drawing. The courses provide the students with the opportunity to develop his knowledge and skills in lab-type situations. Course content varies to accommodate both the students who plan to continue in the field and those who just desire some practical training. New areas are being studied, as the use of solar energy for obtaining heat and electrical power. They also plan to pursue the harnessing of wind and hydro energy for home use. Modern techniques are practiced in Industrial Arts classrooms with the departments excellent array of equipment.

# AFS Offers Varied Activities.

This year the AFS Student Exchange Club was involved in an exchange to Canisius High School. Other activities included a toboggan party, the annual pot luck supper and fall and spring campout at Zoar Valley. In February, Kenmore East hosted the AFS forum for all the exchange students in the Western New York area. Kenmore East hosted an exchange student from Belgium, Chantal Pire. This year's President and Vice-president is Lisa Mordick and Pat Caya. Mr. Izard is the club's advisor.

## Band Achieves Recognition

The Kenmore East Concert Band functions as a marching band in the fall, performing at all football games. The rest of the year is spent learning and performing more difficult music. The Band performs assembly programs at many other schools within the district. Last spring, the Band received a VI A+ rating at the New York State competition for high school bands. Out of a possible 120 points, the Band received 115. This is the best the band has done since its inception.

# Bookstore Serves Student Body

The main purpose of the bookstore is to supply books needed by students for their courses. It is run by the managers, Donna Andersen and Debbie Brylinski. They are open all year until June 1 to aid the student body in purchasing the books they need.

# Blue Gold Diggers Keep on Dancing

B.G.D.'s perform at a home football game.

The 1976-77 Blue-Gold Diggers led by co-captains Lisa Racz and Jackie Webster had a very busy and fulfilling year. Their Football season was an exceptional one. The Blue-Gold weekend was highlighted by the Digger's first prize win in the float competition. This year was the first year in a long time that the diggers had to choreograph all their own dances. With a lot of co-operation and lots of practice, the year turned out to be a very rewarding one. The girls opened their Basketball season with one of their favorite numbers, "Dance to the Music." Other dances were "M'Lady," "California Strut," and "Play that Funky Music."

Miss Schlifke is the squad's new advisor, and Shelly Hammond was the manager. Thanks to the guidance of these two people the year was a sensational one.

# Booster Club Sponsors Activities

This year's Booster Club was as enthusiastic as ever. President Vicki Potaczala, Vice-President Maureen Daly, and Treasurer Leesa Cipperman added a new event to Blue Gold Weekend, the first "car smash". During the weekend they showed a lot of school spirit despite our disappointing loss to Kenmore West. The t-shirt sale was a big success among the student body. The Booster Club sold refreshments at most school dances and sports activities. It also sponsored "The Life of the Bulldog" contest which produced a mural for the cafeteria. Mr. King is the club's advisor.

# Cheerleaders Perform New Mounts

The 1976-77 Cheerleading squad led by Captain Nadine Mazyrka, and Co-captains Therese Martell and Kathy Schultz had a very exciting year. The style of cheering at East has continued to change during the past few years, and this year was no exception. The girls' concentration this year was placed on new and more difficult mounts. As their pyramids became more numerous the height of the mount also increased.

Highlighting the year, was the Annual Blue-Gold Weekend where the squads float took 2nd prize with the theme "Sail on to Victory." Their showmobile skit featured new and funny "mini" cheerleaders.

Plans for the future include the Annual Alumni Dinner, a reception for their parents and an end of the year banquet.

## Creative Writing Club

The Creative Writing Club was begun this year for those students who are interested in the fields of Journalism or improving their writing skills. Advised by Miss Vine the group writes and discusses different forms of writing including poetry, satire, and short stories. The group plans to take expeditions to such places as a newspaper printing building, and lectures given at the University of Buffalo pertaining to Journalism. The members meet every other week and read a piece that they have prepared. They find that the club offers a time and place to have their literary pieces constructively criticized.

# Color Guard Performs at School Events

The Kenmore East Color Guard is one of the many performing groups at East. The girls specialize in rifle twirling and marching. They perform at all football games, home basketball games and participated in the Memorial Day and July 4th parades. The Color Guard practice their skills approximately once a week. Aside from being a performing group, they are also good friends and participate in many outside activities.

# Drama Club Performs For Elementary Schools

Cynthia and Mark enjoy new ideas.

The Kenmore East Drama Club is an organization for those who want to participate in activities related to the theater. Membership is open to all East students. This year's officers are: President, Cynthia Jackman; Vice President, Pamela Decker; Treasurer-Historian, Kevin Hammond.

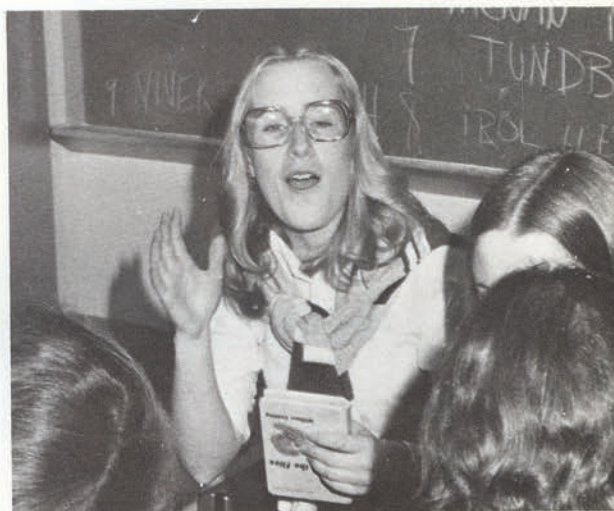

In the past, the Drama Club has participated in Halloween make-up clinics for neighborhood children, live children's theatre performed in area branch libraries and joint meetings with Kenmore West Thespians.

This year, the club is planning to prepare an assembly program to be presented to elementary students entitled, "An Introduction to Live Theatre." Members will give explanations and demonstrations concerning make-up, lighting, costuming, set design and comic and dramatic acting.

## Eastettes Entertain

Each Saturday during football season, half time entertainment is provided by the band. The Eastettes are an essential part of that half-time entertainment. This year the Eastettes consisted of 13 girls who, under the direction of advisor Mrs. Killbasa, performed various routines and learned to twirl their flags. As far as half-time entertainment goes, the 76-77 season was pleasing to all who watched.

## Eastonian Speaks Out

The all new **EASTONIAN**, co-edited by Steve Jarvis and Dawn Fleischauer, was published monthly this year through the responsible support of Student Forum. First-rate investigative reporting on behalf of the student body gave this year's **EASTONIAN** a functional relevance as issues deemed important by students gained significant attention. An active staff of twenty-five students maintained an editorial policy which permitted the newspaper to be a sounding board issues rather than a mere bulletin board of events. Articles of school interest, news of school events, and entertaining satire were augmented by the "Speak Out" column which became a public forum for any student's views. This year's school newspaper was the best of the 70's as it served to inform, persuade, and entertain a readership of 2,200 monthly.

## French Club Plans Trip

This year, the French Club got off to a good start with a Buffalo Bills football ticket raffle, from which they earned \$120. They also had a French dinner, at LaCrepe restaurant on Delaware Avenue in Buffalo. This year's officers are Debbie Tracy, president, Carol Twist, vice-president, Jane Reuter, secretary, and Sue Dukoff, treasurer. Their advisor is Mrs. Tomkins, and meetings are held in her room after school. The club plans to use some of the money they have earned to have a French dinner party at the end of the year. They are also planning a trip to France next year. Vive le français!

## GAA Camps Out

The Girl's Athletic Association ran several successful fundraisers this year. Along with the annual jacket sale. They sold plants and doughnuts to raise money for the spring campout at Allegany State Park. They also took part in a broomball game against the Kenmore West GAA. The annual GAA banquet provided a fitting end to an enjoyable year. A special thanks to the club's advisor, Miss Fuller.

# German Club Has Oktoberfest

German Club has as its intention, the hope to further the cultural understanding of German speaking countries — West and East Germany, Austria and Switzerland. Speakers, first hand knowledge of students with relatives in these countries, and literary and film media are used as sources of information. In order to establish a sentiment of brotherhood and enjoy one another's company, various social activities are enjoyed by the club members. An annual Oktoberfest is the year's highlight. A Christmas party at local German restaurants is very satisfying to those who love Wienerschnitzel and Rolladen. This year toboggan, skating and picnic activities have been planned. Alle sind freilich Willkommen!

## Girls' Chorus Gives Opportunity

The Girl's Chorus exists to give every girl who wishes an opportunity to sing. No auditions are required and everybody is welcome.

The Girl's Chorus sings for the annual December Holiday Program, the Art's Festival, and some community groups. Members of the chorus are also eligible as are Honor Choir members, to participate in All-State Festivals, Erie County Choruses, and to have individual help in preparing solos or audition numbers for activities such as the school Musical or Church Choirs.

# Honor Choir Plans Trip To Bermuda

The Honor Choir, a select group of 50 boys and girls, meets for one and a half periods every "B" day. The goals are to learn to sing well in harmony, to recognize the various music symbols and notes, to bring pleasure to its many audiences in schools, churches, and community organizations and to achieve excellence in all it does. One way to realize the last goal is to compete in choral festivals. This year the choir has chosen a choral festival in Bermuda, May 20-24. To raise money for this project, the choir sponsored a Citrus Fruit Sale from which it earned \$3600.00. A show based on "That's Entertainment" was scheduled for April, to add to our funds. Officers are: Dawn Fleischauer, President; Cynthia Jackman, Vice President; Pam Decker, Treasurer; Mark Doran, Secretary.

## It's Academic Reflects School Intellect

On November 7, 1976 the It's Academic Team won. However in the first playoff on November 14 they lost a very close contest. The club meets on Wednesdays after school, but several weeks before each contest they get together almost every afternoon. The club consists of 30 members most of whom show up faithfully every meeting. They drill with questions submitted by the members. The club's advisor is Mr. Baarslag.

# Library Student Staff Serves the School.

The Kenmore East Library's student staff members give their free periods to serve their fellow students and their school. They are responsible for recording attendance, shelving books, writing overdue notices, some filing, bulletin boards, and other tasks as they arise. The librarians appreciate their assistance.

## Majorettes Entertain You

The Majorettes are part of the half time activity during football and basketball games. Not only do they entertain you with regular batons, but some of the more experienced girls are daring enough to twirl fire.

Outside of the girls performances, they practice several times a week. They also have many money making projects and for something fun and different, they have joint activities with the Eastettes.

## Math Club Wins

Math Club meets every Tuesday after school and participates in a meet with 9 schools once a month. The top 5 members contribute to the team score. Each meet consists of 6 questions in all phases of Math. The members work under a time limit to finish the problems correctly. We are the only school with 2 teams in the league. The best 15 students from the league compete in a National Contest held in the spring of each year. 70 math students from East participated. Kenmore East ranked 16th out of 72 high schools. Mr. Lance is the club's advisor.

# Honor Society Enjoys Banquet

The Kenmore East Chapter of the National Honor Society had another rewarding year. The 86 members, some chosen upon completion of their Junior year, some at the start of their Senior year, were recognized at a banquet in their honor. The Honor Society wishes to thank Mrs. Pearson and Mr. Klose for their aid and advice.

# Orchestra Members Go To Sectionals

The Ken-East Orchestra, led by Louis Baroudi, planned a trip in spring to Washington D.C. Many of the orchestra members also participated in the school musical "Camelot" in March. The orchestra meets fourth period in the band room. Some members went to the N.Y. State Sectionals and some participated in the Erie County Orchestra. Violinist Freida Assad was Kenmore East's representative in the All-State Conference.

# P.A. Announcers Inform the School

Something new this year to provide the students with all the news is DING-DONG-DING, "Good Afternoon, these are the Afternoon Announcements." Students are involved in keeping all students at Kenmore East "in the know".

Led in the morning by Barb Bellanti saying the pledge, the students are informed of various activities and wait until noon time announcements for specific details.

# Literary Magazine's New Name, Paper Dreams

Paper Dreams publishes stories, essays, poetry, photography and artwork created by Kenmore East students. The club chooses the material before a March deadline and then types it all for layout and paste-up. The magazine is then printed commercially and sold below cost to the student body, staff and parents. The club works very hard selling stationery and patrons to subsidize the magazine. February was the fund raising month of Paper Dreams this year. This year's Editor-in-Chief is Debbie Arnone.

# Sportsmanship Council Sponsors One-on-One

The purpose of Sportsmanship Council is to promote good sportsmanship, better understanding, and cooperation among the ten schools included in the Niagara Frontier League. The council meets four times a year at various schools in the league, to discuss ways of promoting sportsmanship.

The council sponsors a Basketball one-on-one Tournament which is held during half time of the basketball games. One representative is selected to represent their school in the tournament.

# Spectrum Reflects Student Spirit

In September, Spectrum 1977 began with the selection of its staff. Although all editors had no previous experience, the staff was filled with enthusiasm and determination to produce a yearbook that all would enjoy.

The Staff and advisors worked hard to meet each deadline, and when the last was met all felt a great relief!

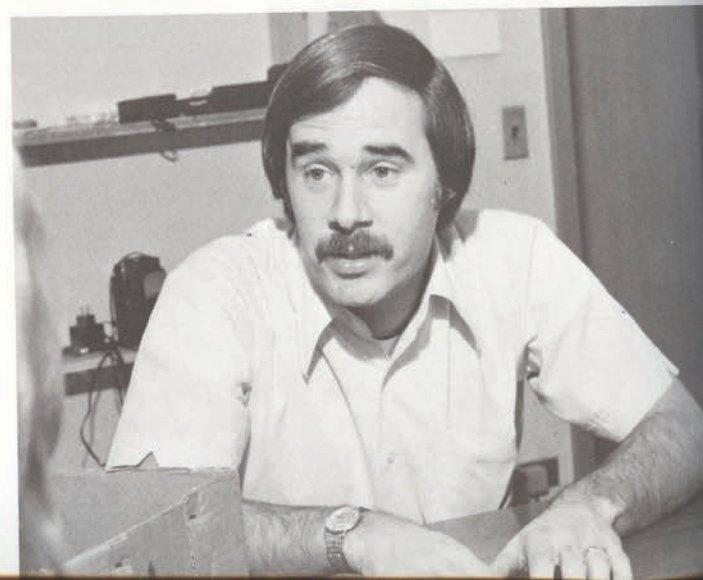

A highlight of the year was the Annual Yearbook Banquet. Of course none of this would have been possible without our diligent staff, our great Editor-in-Chief, Jill Peperone, and advisors Mr. Hugh Kane and Mr. Philip Smith.

# Forum Sponsors Multitude of Activities

Student Forum is the voice of the students. In August Student Forum held an orientation for the incoming sophomores. They arranged many dances and rollerskating parties. Aside from the usual United Fund Drive they sponsored a game night with "Almost Anything Goes." They also sponsored the school play and musical; "Play It Again, Sam" and "Camelot". In May, Student Forum sponsored a Bloodmobile. Student Forum also helped the individual classes by sharing the dance profits with the sophomores, juniors and seniors. The assemblies included a group called "Freefare", "Colgate 13" and Kenmore East Honor Choir's production of "Godspell". Something new was being added to the usual duties of Forum and that was the planning of a campout to be held in the Spring.

# Football Ends Disappointing Season

The football team was an enthusiastic and spirited group of young men dedicated to carrying on in true Bulldog fashion. Co-Captains Chuck Gimbrone and Rich Seyfried provided excellent leadership through their determined efforts and examples.

Frustration, time and again dampened our spirits as errors erased hard fought accomplishment. Particularly exciting this year was a formidable defense that consistently threatened our opponents in recording three shutouts. Two games were lost by a combined total of three points.

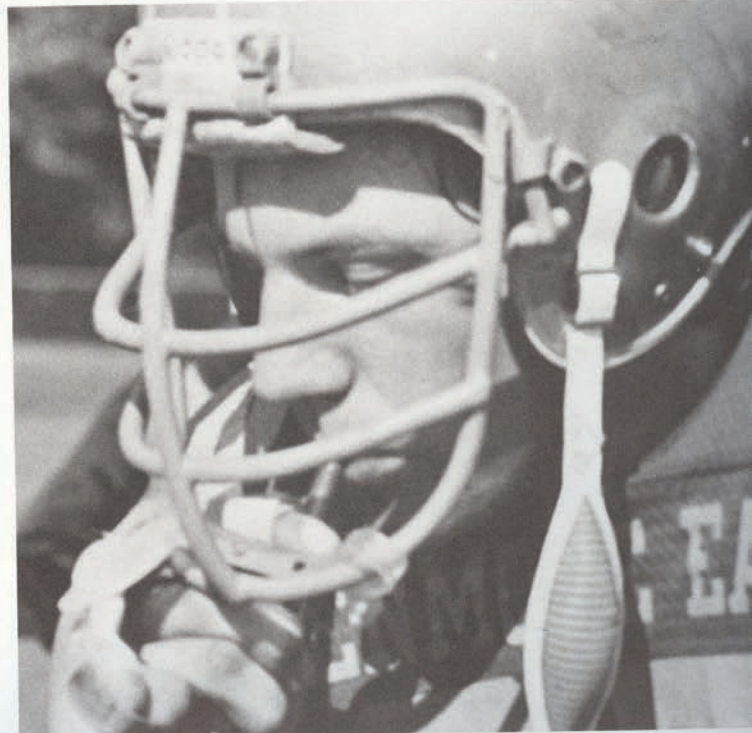

Even in defeat the characteristics of champions were present throughout the season for which all players should take pride in.

# Soccer Ends Season 6-1-1

The Kenmore East Soccer Bulldogs started the season with four less games and four less players. Co-captains Bill Moran and Tom DiNunzio molded a championship team with other returning veterans. The Bulldogs got up for arch rivals Kenmore West and beat them 4-0. Don Doell, Tom DiNunzio and Dan Richards had exceptional performances. At this point the Bulldogs were ranked fourth in the state. They ended their regular season play with 6-1-1. In sectional play Lee Galucki, Dan Richards, Tom DiNunzio and Bill Moran were named all-league.

# Girls' Soccer has Successful Season

The girls soccer team, coached by Dave Lindeman, completed another successful season this year with a 10 and 1 record. The 37 member squad earned a first place in their division and a second place in the N.F.L.

This season was the first time ninth graders were allowed to participate at the high school level. The freshmen brought balance to a team that had talents of seniors, Pam Cahill, Susan Hancher, Laura Mroz, Betsy Schilling, Marge Steffan and Sally Urbanczyk.

The teams' overall depth and flexibility was demonstrated by the scoring abilities of everyone on the front line and halfback.

East led the N.F.L. all-star team this year with four people, Sally Urbanczyk, Maureen Ardary, Pam Cahill and Laura Mroz. Sue Anello was on the second team. East proved to contain some of the best players in the league.

## Field Hockey Goes to Sectionals

The 1976 Field Hockey season was most successful for Kenmore East. Recording a winning season for the first time the girls registered 7 victories and 3 losses.

Scorers were lead by sophomore Diane Dillon who scored a record 10 goals. Senior Janet Baldi, selected most valuable offensive player, added to the Kenmore East scoring attack.

A strong Bulldog defense was anchored by senior co-captain, goalie Shelagh McCarron who was selected the team's most valuable defensive player.

Kenmore East's winning record earned a berth in the sectional play-offs where the girls defeated a tough Lancaster team 2-1, before losing to section VI champions, Amherst in the semi-final match. Kenmore East finished 3rd in the section.

# Volleyball Wins Section VI Title

The 1976 Kenmore East Volleyball Team under the fine leadership of captains Dave Martinke and Andy Stasiuk completed the season with an overall record of 12-2, and captured its third sectional title in four years. Besides winning the sectional crown, the Bulldogs Spikers also placed third in the Sweet Home Tourney and placed co-capt. Andy Stasiuk on the All-Tourney Team. The main ingredients for this year's success can be summarized in three words: Drive, Desire and Dedication.

Many thanks to all team members for their fine effort especially seniors Bill Beiter, David Bieri, David Burghardt, John Drozynski, Jeff Feather, Dave Martinke, Jim Schreckenberger and Andy Stasiuk.

# Golf Ends 4-4

Despite a potentially strong team, the 1976-77 Varsity Golf team ended its season with a 4-4 record. Playing in unbearable weather including snow, heavy fog and freezing temperatures, the season was completed after numerous cancellations. Leading the team was captain, Bill Larkin, who was elected first team all-star for the second year in a row. Leading the seniors were John and Jim Gugino who provided clutch performances. Other seniors included Jim Gauthier, Jon Moscovic, and Kevin Bilger. Topping the juniors were Bruce Schilling, Scott Jones, Tim Greene, and Tim Wolfers, and two sophomores, David Kunzelman and Chuck Schiffler. Rounding out the team were two freshmen, Tim Larkin and Rick Manz.

# Cross Country Has a Rebuilding Season

Coach Matteson and Captain Russ Fina.

With only 3 squad members returning from the 1975 squad, it was obvious that the 1976 Varsity Cross Country Bulldogs would be going through a "rebuilding year." And what a year it was. With a large squad that featured only 4 seniors, it turned out to be the "year of the "underclassmen" as sophomores and juniors dominated an ever improving squad. Juniors, Jim Schrauer, Mike Maskal, John Meyer, Dan and Dave Novak seemed to consistently improve.

The sophomores led by Rick Stelianon, Rob MacDonald, Jeff Zahr, Al Reed, Mike Mundt, Bob Demmig, Jim Sterry and Mark Stonish make the future seem bright.

The Bulldogs closed the season with a rush as they narrowly lost to North Tonawanda and then soundly defeated Niagara Wheatfield and Lew. Porter.

Seniors, Russ Fina, Al Maskal, John Massing and Rick Radice will be missed but look to the future for Kenmore East Varsity Cross Country.

# Gymnastic's Most Successful Season

The Kenmore East Men's Gymnastics team completed its most successful season since 1971 by finishing second in the Section VI Gymnastics League. They finished the season with an overall record of 5 wins and 2 losses with victories over Sweet Home, North Tonawanda, Kenmore West, Hamburg and Williamsville East.

Standouts for the team this year were Co-Captains Mark Schleuter and Kurt Stumpf, Tri-Captains elect Bill Berlinghoff, Mark Skibinski and Dan Gibbons, Bob Doran, Bob Brandle, Raul Rodrigues, Mike Steinburg, Carter Maier, Dave Wood, Chris Maggiotto and Scott Peters.

Kenmore East also did well in the Sectionals held at Williamsville East with Mark Schleuter (2nd Rings), Bill Berlinghoff (3rd Rings) and Dan Gibbons (2nd long horse vault) qualifying for the New York State Gymnastics meet held at Williamsville East on December 6, 1976.

# Girls' Gymnastics Has Successful Year

The Girls' Gymnastics Team had a very successful year, though it may not show in wins and losses. Some meets were as close as .3 of a point! There were several outstanding gymnasts this year—some who are freshmen at Hoover and Franklin Jr. such as: Cathy Wilson, Betty Beitz and Lynda Schraven. Some of the returning stars were Rita Muenzel, Debbie Grupp, Kim Kelley, Robin Giambelluca, Lisa Ott, Cindy Weber and Holly Zwink. All the girls worked hard through long hours of practice, bruises and pulled muscles, and all were enthusiastic and encouraging to the others. Five girls made it to Sectionals: Debbie Grupp and Lynda Schraven for floor exercises, Betty Beitz and Rita Muenzel on balance beam, and Cathy Wilson on all events. Cathy Wilson will also be competing at State Sectionals in floor exercises and balance beam.

Tumbling on the mats can be fun.

Stretching out before meets is necessary.

# Girls' Volleyball Displays An Outstanding Team

With four returning Varsity players the Girls' Varsity Volleyball team posted a 5-3 record to place second in the NFL and their Division. Displaying outstanding dedication and effort the team was led by Seniors Pam Cahill, Betsy Schilling, and Kerri Taylor. Strong supportive effort came from Juniors Nancy Doll, Joanne Robb, Cheryl Smith, Carol Williams and Sherrill Williams. The Sophomores, displaying improved skill, were Mary Achramocitch, Joan Maitino, and Terry Schwab. Setter Pam Cahill was selected for the NFL All-star team and hitter Betsy Schilling was named to the NFL Honorable Mention team.

## Section VI — AA Title

At the beginning of this season, the Kenmore East merman set as their number one priority the winning of the Section VI — AA Title. Not only did the "Seadogs" attain this goal but they also captured the Niagara Wheatfield Relays and the Niagara Frontier League Championship on their way to a perfect season.

In the powerful N.F.L. the swimmers defeated all opposition while setting one league and five school records. Rick Yendall, Doug Gugino, Dan Hulub and Senior Co-captain Dave Kemp teamed up to establish a new league mark in the Medley Relay. In the Freestyle Relay, Co-captains Carl Gugino, Roger Levine and Paul Wheeler teamed with Dan Hulub to rewrite the school record.

East was strong in diving all season with outstanding performances by senior Bill Moran and consistently high scores from juniors Judy Elliott and Jack Goodrich. Also contributing greatly to the team's success were seniors Jeff Hicks, and Rick Schultz along with juniors Matt Herzog, John Easterbrook, Bill Svensson and Mark Henline.

The winter of '77 certainly was one that will long be remembered and so it is true of this year's dedicated swimmers, who trained, competed and succeeded under such adverse conditions.

# Girls' Swim Team

The Girls' Swim Team enjoyed a very successful season this year. The East team swam to an 8 won, 2 lost season beating all opponents except a powerful Lockport squad.

The team was led by senior co-captains Bette Schultz and Pam Menth, along with state breaststroke qualifier JoAnn Robb. The girl's boasted of a strong combination of reliable veterans and promising newcomers and are looking to the future with great expectations.

Highlights of the season were two convincing wins over arch-rival Kenmore West and the breaking of every existing K.E. girl's swimming record except diving. The 1976 edition of the girl's swim team is one we should be proud of.

# Basketball Ties For 3rd Place

The 1976-77 edition of the Kenmore East Varsity Basketball Team finished with a rush to tie for 3rd place in the tough Niagara Frontier League. Their season record of 9 wins and 5 losses assured them of going on to the Sectionals for the 4th consecutive year. This year's senior-lader team was led by high scoring Co-captains David Kessler and Gregory Tetter. Both ended up in the Top 10, of "all-time scorers" in Kenmore East history. Dave averaged nearly 19 points per game while Greg averaged 11 points per game. Guard Ed Tremanis showed why he is called "Mr. Hustle" as he averaged 10 points per game. Center Gary Miller provided the "muscle" as his rebounding keyed many a Kenmore East win. Other seniors such as Christian Boron, Dennis Danheiser, John Evans, John Schlia and Randy Stack provided the much needed bench strength to insure a fine season.

The outlook for next season looks bright as 6 juniors return. Pat Clark (a starter until a season-long injury sidelined him) should be awesome when combined with jump-shooting Dan Brown. The "muscle" should be provided by Jeff Fischer and Charles "Daddy Wags" Wagner. The guard spots should be efficiently filled by Bob Boughton and Greg Dean.

Dave Kessler leaps for a possible two points.

# NFL—Second Place

The Varsity Wrestling team under the supervision of Mr. Kerwin Pine and Gary Kumme ended their season with a 6 and 2 record. The team proved to be a strong winning team by placing second in the NFL, second in the Amherst tournament, 10th out of 31 schools in the Sweet Home tournament, and second in the Section VI — Division 1 tournament.

The following wrestlers contributed greatly to a successful, but abbreviated season: D. Soloway, M. Morgante, M. Cacciatore, B. Brandel, D. Marcus, D. Miller, J. Cich, and J. Borders.

Coach Pine would like to thank the graduating seniors who worked very hard this year and wish good luck to the underclassmen who will return next year to make the team strong again in 1977-78.

# Second Place And Sectional Playoffs

1976 was another successful year for the softball blue and gold. Led by tri-captains Michelle Barczak, Lauri Brooks and Sally Urbanczyk, the lady bulldogs finished a strong second in the Niagara Frontier League with a 7-2 record.

Behind the all-star battery, comprised of most valuable players, Sally Wood and Michelle Barczak, the girls played all round exceptional softball. Another all-star selection, Shelagh McCarron, led one of the area's strongest and fastest outfield combinations.

Sally Urbanczyk, a solid infielder, once again led the team in stolen bases. 3rd baseman, Laura Mroz was outstanding on defense and led the team with a .406 batting average.

The entire squad combined their talents to provide a season worthy of commendation.

## The Varsity Bowlers End Season 9-4

This season the Kenmore East Bowling Team finished the season with a successful 9-4 record. The 76-77 co-captains were Alan Szaflarski and Dan Brundage.

Mr. Walter would like to extend his congratulations to the team and best wishes to the graduating seniors.

## Strong Team Effort Marks Boys' Tennis

Kenmore East registered another winning season going 9-3 and finished second in the N.F.L. John Englander and Bill Prey went all league and undefeated at first and second singles, respectively. The highlight of the season was the match against the Falls. Junior standouts Don Crimmen and Mitch Redlo overcame a third set deficit to win the set and pull out the team victory, 3-2. Returning starters and tri-captains Don Crimmen, Jim Merz, and Mitch Redlo will lead a powerful Kenmore East Tennis Team in 1977.

## Girls' Tennis Second in the N.F.L.

The Girls Varsity Tennis Team, under the supervision of Mr. Robert Andujar, completed the second year of competition with 4 wins and 7 losses. Leading the girls as tri-captains were Jeanne Duncan, Janet Singleton and Sheryl Bailey. Because of poor weather conditions, their practice time was limited, affecting many of their matches. However, in the final standings of the Niagara Frontier League, Ken-East finished second with Amy Derion and Donna Detlef winning the doubles tournament. The girls all feel their efforts were worthwhile proving the Ken-East Girls Tennis Team a very promising one.

# Track Team Finishes Undeclared

The Bulldog track team under the fine leadership of Rich Freeman, Mark Mogavero, Tim Pistner, captured the eighth consecutive N.F.L. championship with an 8-0 record. The Bulldogs also finished second in the section VI meet. Individual winners were: Gary Tartick in the 100, Rich Freeman in the 440 and Mark Mogavero in the mile. The 880 relay team of Corbett, Rymar, D'Auria and Tartick won not only sectional and intersectional titles as the fastest team in Western New York (1:30.3 — school record) but also placed fifth in the state meet at White Plains. Also competing in state meet were Tartick in the 100 and Mogavero in the mile. Dan Glushefski, Gary Tartick, Greg Kerr, Mark Mogavero and the winning relay team, became members of the Ken-East All-Star Team.

# Baseball Wins 200th in '76

The highlight of the 1976 Baseball season was the scoring of Kenmore East's 200 Baseball victory under Coach Bob Marafino. In Niagara Frontier League competition, the Bulldogs completed the season in fourth place with an 11 win, 7 loss record. Co-captains of the team were Catcher Bob Sperlazza and Bill Schukraft who received further honors when he was selected by the league coaches as the All-League first team Second Baseman. Dave Cohan was the leading pitcher for the Bulldogs compiling a 6-1 record including a victory over league champion Tonawanda. Dave was chosen by the coaches as the second team Left-handed pitcher. Shortstop Rick Cownie batted .356, Centerfielder Greg Whelan hit .317, Bill Schukraft .310 and Mel Parry .300 to lead the Ken East hitters. Competing in Section 6 playoff competition for the sixth straight year, the Bulldogs who were defending Class AA champions were eliminated by West Seneca West 12-4 in the quarter finals.
