Throughout the course of our careers at Kenmore East, we encounter unforgettable people, we build remarkable memories, and—above all—we invent ourselves. We discover the people we are meant to be, and we foster the talents that make each and every one of us unique and special. As Bulldogs, we all possess different talents, skills, and abilities that make us who we are. There is a Beast in each of us, and when we come together, we can conquer anything. Although high school is never easy, when we accept and utilize our differences, we will all make it through as a team. Our team is ferocious and extraordinary, because we are all Beasts at something.
