INDEPENDENT AUDITORS' REPORT

The Board of Education
Kenmore-Town of Tonawanda Union Free School District

Qualified Opinion

We have audited the accompanying schedule of additions and deductions of Kenmore-Town of Tonawanda Union Free School District (the District) Extraclassroom Activity for the year ended June 30, 2023, and the related notes to the schedule.

In our opinion, except for the possible effects of the matter discussed in the Basis for Qualified Opinion section of our report, the schedule referred to in the first paragraph presents fairly, in all material respects, the additions and deductions of Kenmore-Town of Tonawanda Union Free School District Extraclassroom Activity for the year ended June 30, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Qualified Opinion

Certain accounting records of Kenmore-Town of Tonawanda Union Free School District Extraclassroom Activity accounts were not adequate for us to form an opinion regarding the completeness of additions in the accompanying schedule stated at \$537,917.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Schedule section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Schedule

Management is responsible for the preparation and fair presentation of this schedule in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the schedule.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the schedule.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
